Yakama Nation Fire Management

May 2017

Fire and Fuels RX Burn

The Yakama Nation Fire and Fuels Programs will be conducting a Prescribed Fire (RX) within the closed area of the reservation. There will be two different locations that will possibly be burned (if weather permits) the first being in Township 9 Range 16 sections 28, 33 and 34 (Dry Logy) the second unit will be in Township 8 Range 15 section 21 (Coyote Springs). Planned ignition time 10am 5-8-17.

Purpose of the RX Burns:

- Re introduce cyclical fire.
- Eliminate evasive species .
- Restore native grasses and forbs in the understory.
- Reduce fuel loading.
- Burning experience and training for Firefighters.
